**Integration of Undergraduate Research into the Curriculum**

Two tracks available: Full Proposals and Supplements to Existing Awards

This program supports the development of new courses and/or the revision of existing courses to include a substantial undergraduate research component. Awards of between $750 and $1000 will be made to support faculty during the summer 2015. This program is not intended to support minor revisions to seminar courses that already have a research requirement. Lower-level and upper-level courses are eligible. Supplements to existing awards are between $350 and $500.

**Deadline for Full Proposals:** May 13, 2015

**Deadline for Supplements:** Open
