Student Opportunities

Small Grants to Support Research, Scholarly and Creative Activities

This program provides up to \$400 to assist students in carrying out their research and creative activities during the academic year; for single projects involving 2 or more students the budget may be increased to \$600. The award is designed to help defray the cost of travel, supplies, and other materials to conduct the project. It is not intended as salary for the student.

***Midnight Deadlines for submitting applications:**
Student: October 19, 2016 Faculty: October 21, 2016
Student: February 22, 2017 Faculty: February 24, 2017

Undergraduate Summer Research Fellowship

This program supports eight weeks of full-time research and creative activities. For summer 2017 we anticipate awarding 26 fellowships. Each fellowship provides a student stipend of \$3000, a faculty stipend of \$1000, and up to \$500 for travel, supplies, and/or equipment to support the project.

***Midnight Deadlines for submitting applications:**
Student: April 3, 2017 Faculty: April 5, 2017

Undergraduate Travel Program

This program provides partial support for students to attend professional meetings and conferences to give a presentation or performance. Eligibility requirements require that the student must be the first author on the abstract or artist statement. As funds are available, faculty mentors may also receive some travel support to accompany the student to the meeting.

Deadline for submitting applications: Open

19th Annual Student Research and Creativity Celebration (SRCC) - April 28 & 29, 2017

*Event open to both undergraduate & graduate students. This event provides students an opportunity to present preliminary and completed research and creative activities in a student-friendly and supportive environment. A variety of presentation formats are accepted: theatrical and musical performances, gallery exhibits, posters, talks, and demonstrations. Individual, small group and class projects are welcome and encouraged.

***Midnight Deadlines for submitting applications:**
Student: March 14, 2017 Mentor: March 16, 2017

Faculty Development Opportunities

Integration of Undergraduate Research into the Curriculum

Two tracks available: Full Proposals and Supplements to Existing Awards
This program supports the development of new courses and/or the revision of existing courses to include a substantial undergraduate research component. Awards of between \$750 and \$1000 will be made to support faculty during the summer 2017. This program is not intended to support minor revisions to seminar courses that already have a research requirement. Lower-level and upper-level courses are eligible. Supplements to existing awards are between \$350 and \$500.

Deadline for Full Proposals: May 12, 2017
Deadline for Supplements: Open

Workshops

A variety of workshops on topics related to undergraduate research are offered for the 2016-2017 academic year. For more details, see the website and announcements in the Buffalo State 'Daily'.
