### SUNY/CUNY Undergraduate Research Conference (SURC)

SURC takes place at different SUNY campuses each spring. SURC 2024 will be hosted by UB-The University at Buffalo on Monday, April 15, 2024.

For details, please visit [suny.edu/surc](http://suny.edu/surc).

**Application deadline:** March 31, 2024

### Small Grant Awards

**Restricted to expenses for equipment, supplies, and travel.**

This **program** provides up to \$400 (\$600 for student teams) to assist students in carrying out their research and creative activities during the academic year. The award is designed to help defray the cost of travel, supplies, and other materials to conduct the project. It is not intended as salary for the student.

\*11:59 pm Deadlines for submitting applications:

Student: February 21, 2024 Faculty mentor: February 23, 2024

### Undergraduate Summer Research Fellowships (USRF)

This **program** supports full-time advanced research and creative activities for upper-division students each summer. Each fellowship provides a student stipend and additional support for supplies and/or equipment for the project.

\*10 pm Deadlines for submitting applications:

Student: April 12, 2024 Faculty mentor: April 17, 2024

## Student Opportunities

### Undergraduate Travel Program

This **program** provides partial support for students to attend professional meetings and conferences to give a presentation or performance. The student must be the presenting author on the abstract or artist statement. Faculty mentors may also receive support to accompany the student.

**Application Deadline:** Open

### 26th Annual Student Research and Creativity Conference (SRCC)

SRCC 2024 Friday, May 3 3:00-6:00pm

This **program** provides both undergraduate and graduate students an opportunity to present research, creative, and applied learning activities in a student-friendly environment. A variety of presentation formats are accepted: performances, gallery exhibits, video, posters, and oral presentations. Individual, small group and class projects are welcomed. Abstracts must be submitted through the **SRCC website**.

**Early Bird Poster Printing Deadline:** April 24

## Faculty Development Opportunities

### Integration of Undergraduate Research into the Curriculum

**Availability subject to budget restrictions in 2023-2024.**

Two tracks available: Full Proposals and Supplements to Existing Awards  
This program supports the development of new courses and/or the revision of existing courses to include a substantial undergraduate research component. Awards of between \$750 and \$1000 may be made to support faculty. This program is not intended to support minor revisions to seminar courses that already have a research requirement. Lower-level and upper-level courses are eligible. Supplements to existing awards are between \$350 and \$500.

**Deadline for Full Proposals and Supplements:** Open

**\*Please Note\*** Spring 2024 dates will be announced in late January 2024. Check the OUR website to confirm deadlines for the following programs: EURO, Small Grants, Undergraduate Summer Research Fellowship (USRF), and the Student Research and Creativity Conference (SRCC).

### Early Undergraduate Research Opportunity Program (EURO)

**EURO** is intended to provide Buffalo State students with an early undergraduate research/scholarly/creative experience. Recruited students support the faculty member's research/scholarly/creative activities. The program strives to broaden participation in research and to support Buffalo State's efforts to engage early-career students and increase retention, especially of those who have demonstrated strong performance in their coursework at BSU. Students must have completed at least 12 credits and no more than 60 credits of coursework at Buffalo State by the time of application.

**Fall Deadline** (10-week or 5-week "micro" projects): September 27, 2023

**Spring Deadline** (10-week or 5-week "micro" projects): February 21, 2024
