## Student Opportunities

### Small Grant Awards

Restricted to expenses for equipment, supplies, and domestic travel until further notice.

This **program** provides up to \$400 to assist students in carrying out their research and creative activities during the academic year. The award is designed to help defray the cost of travel, supplies, and other materials to conduct the project. It is not intended as salary for the student.

\*11:59 pm Deadlines for submitting applications:

Student: October 5, 2022 Faculty mentor: October 7, 2022

### Undergraduate Travel Program

Restricted to domestic travel/virtual expenses until further notice.

This **program** provides partial support for students to attend professional meetings and conferences to give a presentation or performance. The student must be the presenting author on the abstract or artist statement. Faculty mentors may also receive support to accompany the student.

**Application Deadline:** Open

### 25th Annual Student Research and Creativity Conference (SRCC)

SRCC 2023 Friday, May 5, 2023

This **program** provides students an opportunity to present research and creative activities in a student-friendly and supportive environment. A variety of presentation formats are accepted: performances, gallery exhibits, posters, talks, and demonstrations. Individual, small group and class projects are welcomed. This year for the first time, SRCC will be held on a Friday afternoon. Abstracts must be submitted through the **SRCC website**.

**Early Bird Poster Printing Deadline:** TBA

### Undergraduate Summer Research Fellowships (USRF)

This **program** supports full-time advanced research and creative activities for upper-division students each summer. Each fellowship provides a student stipend and additional support for supplies and/or equipment for the project.

\*10 pm Deadlines for submitting applications:

Student: TBA-March 2023 Faculty mentor: TBA

## Faculty Development Opportunities

### Integration of Undergraduate Research into the Curriculum

Availability subject to budget restrictions in 2022-2023.

Two tracks available: Full Proposals and Supplements to Existing Awards

This program supports the development of new courses and/or the revision of existing courses to include a substantial undergraduate research component.

Awards of between \$750 and \$1000 may be made to support faculty. This program is not intended to support minor revisions to seminar courses that already have a research requirement. Lower-level and upper-level courses are eligible.

Supplements to existing awards are between \$350 and \$500.

**Deadline for Full Proposals and Supplements:** Open

### Early Undergraduate Research Opportunity Program (EURO)

**EURO** is intended to provide Buffalo State students with an early undergraduate research/scholarly/creative experience. Recruited students support the faculty member's research/scholarly/creative activities. The program strives to broaden participation in research and to support the College's efforts to engage early-career students and increase retention, especially of those who have demonstrated strong performance in their coursework at Buffalo State. Students must have completed at least 12 credits and no more than 60 credits of coursework at Buffalo State by the time of application.

**Fall Deadline** (10-week or 5-week "micro" projects): September 16, 2022

**Spring Deadline** (10-week or 5-week "micro" projects): TBD

**\*Please Note\*** Spring 2023 dates will be announced in late January 2023. Check the OUR website to confirm deadlines for the following programs: EURO, Small Grants, Undergraduate Summer Research Fellowship (USRF), and the Student Research and Creativity Conference (SRCC).
