Student: March 31, 2021 Faculty mentor: April 2, 2021

Faculty Development Opportunities

Integration of Undergraduate Research into the Curriculum

Availability subject to budget restrictions in 2020-2021.

Two tracks available: Full Proposals and Supplements to Existing Awards

This program supports the development of new courses and/or the revision of existing courses to include a substantial undergraduate research component.

Awards of between \$750 and \$1000 may be made to support faculty. This program is not intended to support minor revisions to seminar courses that already have a research requirement. Lower-level and upper-level courses are eligible. Supplements to existing awards are between \$350 and \$500.

Deadline for Full Proposals and Supplements: Open

Early Undergraduate Research Opportunity Program (EURO)

Availability subject to budget restrictions in 2020-2021.

This **program** is intended to provide Buffalo State students with an early undergraduate research/scholarly/creative experience by serving as an assistant. Recruited students would support the faculty member's research/scholarly/creative activities.

This program strives to broaden participation and support the College's efforts to engage early-career students and increase retention, especially of those who have demonstrated strong performance in their coursework at Buffalo State.

Fall Deadline (Micro-Projects only): Rolling (closes October 26, 2020)

Spring Deadline (EURO-10 weeks or EURO Micro-Projects-5 weeks): February 19

Please Note Spring 2021 dates subject to change; check OUR website to confirm deadlines for the following programs: EURO, Small Grants, Undergraduate Summer Research Fellowship (USRF), and the Student Research and Creativity Conference (SRCC).
